

Sponsored by

2023 Indiana Fox Trotter Association May 6 and 7, 2023 Leaping Fox Equine Center 850 W County Road 1000 N Roachdale, IN 46172

This clinic will include one day working on equitation, gait, and horse & rider improvement opportunities while the second day will be educational and fun activities with your horse. Topics may include saddle fitting, improving balance, achieving and maintaining the correct gait, identifying the gait, and other topics and practice opportunities requested by participants.. This will be a wonderful opportunity to work with MFTHBA clinician Clifton Matlock in a relaxed and fun setting.

Deadline for registration is April 27, 2023. Clinic participation includes 14 horses and their riders.

Participants may arrive Friday after 12 p.m. May 5, 2023. Camping and stall reservations are made through the IFTA and not directly with Leaping Fox Equine Center. For clinic questions or additional information, contact Kathy Shafer at showmethepaints@yahoo.com or 1-574-453-7107 or Rita Shrader at rita.shrader@yahoo.com or 1-812-390-6504.

The IFTA will provide pizza to all those in attendance on Saturday evening. Bring your additional food and beverages for the duration of your time participating. There is full access to a kitchen (please clean up after use). This is a beautiful rural location with the nearest town (Bainbridge) just 10 minutes away with a Pizza King and Tack Room barbecue. Hay and bedding will be available to purchase if needed on site. Out of state horses are to have current Coggins and it's requested that all horses are current on vaccines. Showers are available. There are 7 electric sites (first come, first booked) and 10 primitive sites. **Travel from the South or East on 236 with a LQ unit is not recommended as clearance under a railroad bridge is just 12 feet, 2 inches.**

Clinic begins at 9:00am both days and will conclude by 3pm on Sunday.

Cut on dotted line and return bottom portion along with liability waiver with your payment to address listed below.

PLEASE PRINT CLEARLY! #####
